Neman

Slim as a fashion model

Highly customizable and featuring an ultra-slim design, the Neman luminaire is our flagship product. Its sleek, modern design has been achieved without loss of light quality. This makes it an ideal choice for office spaces aiming for an ambitious contemporary design. And the Neman offers all the versatility a lighting designer could ask for. It has multiple choices of finish and a range of covers. In terms of mounting, you can choose from direct/indirect, surface, pendant, recessed and trimless. With two power options, plus a number of sensors and spotlight and dimming add-ons, the Neman can be adapted to any given project to achieve just the right lighting effect.

MICROPRISMATIC - BP
Low glare
Comfortable light

OPAL - OP
Diffused light
White line effect

HONEYCOMB BLACK - HB
Very low glare
High comfort soft light

Housing Colors

Gray - AG

White - PW

Black - PB

Custom (RAL)

Technical Data

Housing	Powder coated aluminium	
LED type	Nichia LEDs, 3-Step MacAdam	
LED lumen maintenance	L90B10 > 60 000 h	
Electrical	220 - 240 V AC, internal driver	External driver for North American market
Suspension system (for pendant)	Silver coloured, lenght - 2 m	6.56'
Lead cable (for pendant)	Transparent, lenght - 2 m	6.56'

Neman Mesh

INDOOR
LUMINAIRE

Build unexpected

Surprising.

Light up spaces in new creative and unexpected ways through use of highly modifiable shapes of Neman Mesh.

Adaptable.

Build Mesh structures by joining different shapes and elements into a single network. Make luminaire part of your creative expression to create the genuine lighting masterpiece. As vast and astounding as your imagination is.

Joints

Direct. Indirect. Or both?

Mesh system offers direct, Indirect and Direct/Indirect modules that can be combined together in a single Mesh system

Single feed cable

Only one mains feed cable to supply the whole mesh system. Each module passes mains power to all connected modules through its own integrated through-wiring system.

Feed cable length

2 m transparent mains feed cable supplied with each system.

Neman Shape

INDOOR
LUMINAIRE

Professional & Elegant

Lighting is fundamental in shaping the way we experience and interact with spaces. Neman Shape offers different lighting modes - both to improve comfort and create unique experiences.

Create a relaxing atmosphere and enhance your spaces with Neman Shapes. Eye-catching geometric shapes - triangles, squares and hexagons will fill the room with soft uniform light. The Shapes combine function and form in a design fitting for both classic and modern settings. Neman Shape luminaires are perfectly suited for use in retail stores, offices, restaurants as well as living spaces. Made in Europe using materials of the highest quality.

Atlantis

OUTDOOR
LED LINE

One way to bend the rules

Atlantis Side

Our Atlantis Side bendable IP67 LED lines have been designed for outdoor lighting projects that need a creative and flexible lighting solution. With flexible polyurethane housing, the Atlantis can adjust to the organic geometry of building facades and structures while ensuring a uniform light effect. Fully encapsulated and protected from the elements, these high quality LED strips are built for long-term professional applications.

Technical Data

LEDs per meter	112 LEDs/m	34 LEDs/ft
Voltage	24 VDC (22.5 - 25 VDC)	
Cutting step	62,5 mm	2.46 in
Height	19 mm	0.75 in
Width	15 mm	0.59 in
Bend radius	Rmin= 15cm	Rmin = 5.91 in
Light output ratio (LOR)	65%	
TC temperature	<75° C	<167° F
Operating temperature	-25°C...+50°C	-13°F...122°F
Beam angle	120°	
Dimmable	YES	

Maximum Length

4W	5 m	16'
9W	5 m	16'
14W	4.5 m	15'

Technical Drawing

Atlantis Top

Suitable for lighting uneven outdoor surfaces such as coves, pillars and rounded edges, the Atlantis Top is a flexible LED line that is versatile and robust. This LED line has been specially designed for professional decorative outdoor lighting applications. It has an IP67 rating for ingress protection and is completely protected against solid particles and water. The Atlantis Top is salt and solvent-proof and fully UV resistant. This flexible and ruggedized LED line is popular with lighting designers for decorative and direct lighting both outdoors and indoors.

Technical Data

LEDs per meter	112 LEDs/m	34 LEDs/ft
Voltage	24 VDC (22.5 - 25 VDC)	
Cutting step	62,5 mm	2.46 in
Height	19 mm	0.75 in
Width	15 mm	0.59 in

Dimmable	YES	

Maximum length

4W	5 m	16'
9W	5 m	16'
14W	4,5 m	15'

Technical Drawing

Aqua

OUTDOOR
LED LINE

Aqua

Wraps around one's little finger Literally.

This waterproof IP67 LED line is small, tough and incredibly flexible. It has a small bend radius, making it perfectly suited to decorative, cove and edge lighting both outdoors and in wet indoor locations like bathrooms and pool areas. It can even handle curved surfaces.

The Aqua is fitted with the highest quality materials for excellent durability. It features NICHIA LEDs made in Japan, and a current stabilization system. The housing is waterproof, UV resistant, and salt and solvent proof. It is very easy to mount and clean, and does not attract dust or dirt.

Its small size and bend radius combined with a ruggedized design make this a reliable and versatile long-term choice for creative outdoor lighting.

Technical Data

LEDs per meter	56 LEDs/m	17 LEDs/ft
Voltage	24 VDC (22.5 - 25 VDC)	
Cutting step	125 mm	4.92 in
Height	4 mm	0.15 in
Width	12 mm	0.47 in
Bend radius	Rmin=10cm	Rmin = 3.94 in
Light output ratio (LOR) 76%		
TC temperature	<75° C	<167° F
Operating temperature	-25°C...+50°C	-13°F...122°F
Beam angle	112°	
Dimmable	YES

About Holecron

Holecron company, located in Vilnius, Lithuania, owns two factories where flexible LED strips, various light sources and luminaires for indoor and outdoor applications are manufactured. The modern manufacturing facility includes R&D department, SMT assembling lines, metal processing, encapsulation stations, photometric laboratory and testing area.

At Holecron, we aim to be flexible on everything – except quality. In each of our products we use only highest quality materials from reliable suppliers and almost all of our products comes with 5-year warranty.
